

Dear Parents,

We hope this letter finds you well. We are writing to inform you about a recent initiative undertaken by our school community to support students at ‘Abdallah El Nadim School’, who are unable to pay their school fees.

We are pleased to share that through the collective efforts of our students, teachers, and staff, we have successfully collected donations to help cover the school fees of these students. Donations were delivered by ELS students at ‘Egypt Post Office’. This initiative reflects our commitment to ensuring that every child has access to quality education, regardless of their financial circumstances.

We would like to express our heartfelt gratitude to all the parents who contributed to this cause. Your support and generosity have made a significant difference in the lives of these students, providing them with the opportunity to continue their education without any hindrance.

Once again, thank you for your constant support and commitment to our school community. Together, we can make a difference in the lives of our students and create a brighter future for all.

Thanks for your cooperation
