

Dear Year (1-6) Parents,
 We're excited to celebrate Child's Day with your little ones! Child's Day is a special occasion to celebrate the joy, creativity, and boundless potential of children. It's a time to recognize their unique contributions to our lives and communities. On this day, we come together to honor their laughter, dreams, and imaginations. Activities filled with fun, games, and learning help foster a sense of togetherness and remind us of the importance of nurturing our young ones. Let's cherish this day by creating lasting memories, inspiring each other, and committing to support the growth and happiness of every child in our care.
