

Dear parents,

At the Egyptian Schools we believe in every child's right for an education that is curated specifically to every age's needs. We believe that every stage of the Child's life has its own learning that must be met for their proper development.

From this vision Roots and Wings was born as an institution that builds the child's foundation and prepares them for their schooling journey. Roots and Wings pre-school makes sure that the child's prepared on a foundational level to reach Foundational Stage 1 here at EFIS.

Again under the vision that with proper pre-schooling a child is prepared for their future schooling;

No admissions will be held for students who are graduating Roots and Wings to enter EFIS at The Egyptian Schools.

Admissions is now open for EFIS ElShorouk Campus for the academic year 2025/2026.
