

Date : Thursday January 9th, 2025

Dear Parents,

We are excited to welcome you to a new journey that we embarked together at ELS.

We want to take a moment to outline our goals and expectations for your child's development and success during Term 1.

In our commitment to fostering a nurturing and stimulating environment, we focus on cultivating essential "Life Competencies" that are pivotal for your child's growth. Throughout the term, we have been assessing their progress in key areas, including behavior, collaboration, communication, class readiness, and personal appearance.

As we are reaching the end of Term 1, you will receive a Development Overview report that highlights your child's achievements, strengths, and areas for improvement. This report aims to provide you with a comprehensive understanding of your child's journey and development.

We believe that open communication and partnership between home and school are crucial for your child's success.

We encourage you to engage with your child about their experiences and to discuss the report when it arrives today. Your support and involvement make a significant difference in their education experience.

Class teachers will be sending "Pathway to Success" report through your child's Gmail on Google classroom.

Feel free to send us your positive feedback through our email [Primary@els-egypt.com].

Thank you for your continued partnership and support. We look forward to a fruitful term filled with learning and growth!

Warm Regards,

**Mrs. Hanan Nassar
ELS Primary School Headmistress**
