

**Subject: - Celebrating Our ELS Summer Camp 3 years Journey  
- inviting EAIS and EBIS students to join**

Dear Parents,

*As we reflect on another unforgettable summer camp experience, we are filled with gratitude for the journey we have taken together since our ELS Summer Camp's launch in 2022. With the slogan "Embrace Your Roots and Wings," our Camp was designed to inspire curiosity, encourage exploration, and foster a love of learning through meaningful discussions, activities, and trips across Cairo and Giza.*

*Each summer, our campers embark on a four-week adventure built around a central theme, allowing them to explore the world through different perspectives—lifestyle, architecture, role models, and leadership—culminating in a final display of their learning.*

- *2022: Embrace Your Roots and Wings – Our first camp encouraged children to reflect on their personal growth and cultural heritage. From healthy living and Egyptian architecture to leadership and self-expression.*
- *2023: Ancient Egypt – Stepping back in time, campers explored the wonders of our ancestors, comparing modern life with that of ancient Egyptians.*
- *2024: Re-Imagine the World – Shifting from history to innovation, this year's theme encouraged our campers to dream about the future, applying their creativity and knowledge to envision a world shaped by their aspirations.*

**A key highlight** of our Camp is the incredible contribution of our ELS, EBIS, and EAIS senior students, who take on the role of interns, working alongside our teachers. Each year, they bring fresh energy and creativity, fostering a friendly and engaging environment. One of their most exciting contributions is designing the Camp Logo, a tradition that allows them to express their artistic vision. Their dedication and enthusiasm help make the camp a joyful and enriching experience for all.

*Each year, our Camp grows into a vibrant learning community where children develop confidence, creativity, and a deeper connection to their culture and dreams.*

**We are incredibly excited to introduce our 2025 Summer Camp to ELS, EAIS and EBIS students from KG2 to primary 6/ Grade 6/year 6.**

*Thank you for your trust and support in making this journey possible. We look forward to welcoming our ELS, EAIS & EBIS campers for another inspiring adventure!*

**Stay Tuned !**
