

**Dear Parents & Students,**

I hope this message finds you well. **As we continue to support our students' academic journey, I want to highlight some important aspects of their education that require your attention and involvement.**

1. **Home Follow-Up on Assignments**

It is crucial that we **work together** to ensure that our **students are fulfilling** their **assignments and meeting due dates**. Your **support at home** can **significantly impact** their academic performance. **Regularly** checking in on their **work** helps them stay **organized and committed**, ensuring they do their **best and do not lose marks** that could **negatively affect** their **overall academic level**.

2. **Encouraging Independent Work**

We have **noticed some instances** where **parents** may be helping too much with **homework**, including **writing assignments** for their children. While your **support** is **invaluable**, it is **essential for students** to complete their **work independently**. If **assignments are not done** by the **student**, they **may receive a zero**, which will impact their **grades** and **hinder** their **progress toward meeting academic standards**.

3. **New Green Card Policy**

**Starting Sunday, March 16, 2025**, students with **green cards** will not be permitted to remain **outside the school gates** for **extended periods**. **Instead**, they will be **directed** to **enter the school** as the **teachers' supervision** shifts **conclude**. This **change aims** to **ensure the safety** and **well-being** of **all students**.

**Thank you** for your **continued support and partnership** in your **child's education**. Together, we can **create an environment** that **fosters learning and encourages our students** to reach their **full potential**.

Warm regards,

**Mrs Hanan Nassar**

**ELS Primary Headmistress**

**Date : Thursday 13<sup>th</sup> March 2025**
