

## Parents communication letter (1)

### Dear Parents of Primary and Preparatory Schools,

On behalf of the entire school community, we would like to warmly welcome you and your children to a new academic year filled with growth, success, and inspiring learning experiences. We look forward to working with all of you to ensure a successful and enriching educational experience for our students.

This year, we are pleased to share with you our **new organizational structure**, which includes appointed **General Stage Supervisors** for each stage. These supervisors are playing an active role in supporting both teachers and students, while also maintaining strong communication with you as parents. **Click the link** for our organizational structure: <https://drive.google.com/file/d/1uFKorUCBqTLyn6OKaamQM9mfqkLWXXau/view?usp=sharing>

Together, we look forward to building on last year's achievements and working in partnership with you to ensure that every student reaches their full potential.

We believe that a strong partnership between home and school is essential for student success. I am committed to fostering open and effective communication with all parents.

Please feel free to reach out to me with any questions, concerns, or suggestions you may have through the official communication channels:
