

PTA Parent Letter 25/26

Dear Parents,

We hope this letter finds you and your family well. As we continue to foster a supportive and engaging environment for our students, we are excited to announce that new elections for the Parent-Teacher Association (PTA) will be held this year for our national schools, covering grades KG to 12.

The PTA plays a vital role in enhancing the educational experience of our children. It provides a platform for parents to actively participate in school activities and collaborate with educators to support student success. We encourage all parents who are interested in joining the PTA to consider this opportunity to contribute to our school community.

If you see yourself as a potential member of the new PTA, please click on the link below to fill out the necessary information:
